Dear Mr. Prieto,

As it might be possible to get one or two photographs published, I am wondering what you had done and whether you could let me have a few prints. I think, for instance, the portraits of Mr. Churchill and Lord Berners might have a chance of publicity in papers like the "Illustrated London News", "The Sketch" or "Tatler".

You will remember that you still have to find stretchers 20" x 24" and 20 $\frac{3}{4}$ " x 26 $\frac{3}{4}$ ".

Incidentally, I don't know if I told you that I would like to have the pictures here by Friday of this week, so that we can get them entered and ready for hanging on Monday.

Yours sincerely,

*Alex Reid*
