Gregorio Prieto, Esq.

Dear Mr. Prieto,

This is just a short note to confirm our conversation on the signing of the agreement with you for the new edition of your book on Garcia Lorca, that the firm is making an exgratia gift of the balance of the monies you owed under the first agreement, so that we will not claim anything from you on that first publication and will start clear with the new agreement on which you get the definite royalty of ten per cent. (10%) on the copies sold.

We hope the book will be very successful for us both.

Yours sincerely,
For an on behalf of Alexander Moring, Ltd.

J. Johns
