Dear Gregorio:

We have decided to have your wonderful painting framed in France.

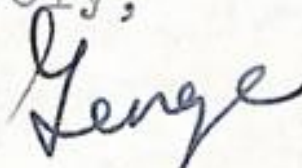

We ran across an expert "frame-maker". We can hardly wait until the picture arrives here.

I shall drop you a line when the picture reaches us, which will probably not be for another 6 weeks.

We do hope you will come to America soon, and that we will have the decided pleasure of seeing you again.

Kindest regards from Mrs. Alfred and myself.

Sincerely,

Geo. J. Alfred
