Dear Señor Prieto,

It is so kind of you to
say you will find out the
size of 'Marta Garbo' for
me. At the same time I
should feel happier if I
might know what the
cost of a portrait would
be.

As I now know that you do
not like writing letters! I am
sending a slip to save you
trouble, so please don't trouble
to write.

Yours sincerely,

Geraldine Armstrong.
