Dear Mrs Churchill

Many thanks for your telephone message.

It has given me great pleasure to know that I may draw your portrait and I should be glad to know when you can give me a sitting.

I hoped to see you personally at my exhibition and to show you some of my work. The exhibition is officially over, but in case you would care to see some of the portraits perhaps you could fix a day to come to my studio.

In the meantime I am sending you a book of my paintings and

drawings which is now out of print, but of which
I have still one or two copies.

yours sincerely
GPE & Rio Prieto.
