My dear Gregorio,

Thank you for your letter of April 5th.

It was a delightful surprise to hear from you again and to know that you will be in New York in the Autumn.

I am looking forward very much to seeing you and so is my wife looking forward to meeting you. She has seen the portrait which you did of me which is in the home of my parents.

I was in London recently and when driving past some of our former haunts often thought of you but I had no idea how to contact you.

With all kindest regards,

Yours sincerely,

R. Reid-Adam
